

AEGION®

Stronger. Safer. Infrastructure.®

Aegion Corporation

Aegion Corporation is the parent company for Aegion Coating Services, Bayou, Brinderson, Corpro, Fibrwrap, Fyfe, Insituform, Schultz, Underground Solutions and United Pipeline Systems. Aegion's companies are global leaders in infrastructure protection and provide proprietary technologies and services for the corrosion protection of industrial pipelines and for rehabilitating and strengthening sewer, water, energy and mining piping systems, buildings, bridges and tunnels and waterfront structures.

The Aegion family includes some of the world's infrastructure protection and shielding technology companies for the following industries:
